

COVID-19 Measures for Arrival and Departure

A detailed plan of all Covid-19 protection measures can be found at <https://www.zagrebrowing.com/about/covid-19-response-plan/> in PDF file.

ACCREDITATION PROTOCOL

Accreditation for the World Cup regatta will begin in the morning of 28 April 2021 and last until the end of the regatta.

Accreditation will start at 8:00 am on 28th April. To get accredited on 28th April 2021, everyone is required to present a negative PCR test not older than 72 hours at the time of accreditation. A copy of it, together with the completed Pre Event Health Questionnaire form

(<https://www.zagrebrowing.com/wp-content/uploads/2021/04/Pre-Event-Health-Questionnaire-2021-WRC-I-Zagreb.pdf>) must be sent to covid19@zagrebrowing.com by 21:00 on 27th April 2021.

Persons who want to get accredited on the following days will need to submit their PCR test result and the Pre Event Health Questionnaire by midnight of the previous day (e.g. persons who want to get accredited on 30th April must submit their Pre Health Questionnaire form and PCR test to covid19@zagrebrowing.com by 23:59 on 29th April).

Persons who were vaccinated or have recovered from COVID19 infection will be granted accreditation only with negative PCR test. However, we encourage them to bring the vaccination or infection proof (positive PCR test in English or positive serology (antibody) test in English) because of easier close-contact tracking and subsequent epidemiological measures.

Access to the regatta course will be possible only with an accreditation card, which must be always worn and visible.

PRE-EVENT TESTING (ACCREDITATION TESTING)

Persons who do not have a PCR test, or it will be older than 72 hours at the time of accreditation, will have the possibility to be tested at the venue, at Lake Jarun, from 27 April on. In that case, please make an appointment for testing at least 48 hours prior to the planned accreditation date (e.g., if you want to be accredited on 29th April, please let us know about it by e-mail on 27th April, so that we can have you tested on 28th April and have the result on 29th April).

To make an appointment for testing, please contact us at covid19@zagrebrowing.com and send us the number of persons who need to get tested, their names and the Pre-Event Health Questionnaire. However, given the limited testing capacity at the regatta venue, we kindly ask you do get tested within 72 hours prior to the planned accreditation, if possible.

For Pre-event testing, testing form will be filled on site by OC member and signed by COVID19 contact. By signing this form, you or your federation will be charged for pre-event testing costs (70 EUR for the PCR testing).

COVID19 CONTACT PERSON

A Team's COVID-19 Manager will be appointed for each team / WR staff / media / umpires and LOC staff.

Each National Team is required to submit a completed Member Federation Consent form (<https://www.zagrebrowing.com/wp-content/uploads/2021/04/Member-Federation-Consent-Form-2021-WRC-I-Zagreb.pdf>) with the data of their COVID-19 Manager appointed by the Team.

COVID 19 contact persons responsible for WR/Media/Umpires/LOC/Volunteers are listed in table below.

	Name	Email	Telephone number
WR staff	Prateek Gumbar	prateek.gumbar@worldrowing.com	+41799085735
Media	Jura Ozmec	press@zagrebrowing.com	+385956663800
Umpires	Dino Belić	Dino_belic@hotmail.com	+385995047112
LOC	Juraj Katušin	covid19@zagrebrowing.com	+385989776441
Volunteers	Mičo Mikulić	Mico.mikulic@gmail.com	+38598778748

POST-EVENT TESTING (DEPARTURE TESTING)

During the competition, it will be possible to arrange PCR testing needed to return home. Testing will be conducted in the "COVID-19 testing area" at the venue. **Departure testing will be only done by PCR testing.**

National teams can schedule a testing appointment via Team's COVID-19 Manager by emailing the filled COVID-19 Departure Testing Form (available at <https://www.zagrebrowing.com/about/covid-19-response-plan/>) to covid19@zagrebrowing.com . It is necessary to schedule a testing appointment 72 hours prior to the desired testing date.

Test results will be sent to the Info Desk, where they can be picked up by team leaders or sent them directly by email.

Individuals (media/WR staff/umpires) requiring post-event (departure home) testing will have to make testing appointment by emailing the COVID-19 Departure Testing Form (available at <https://www.zagrebrowing.com/about/covid-19-response-plan/>) to covid19@zagrebrowing.com . It is possible to request testing appointment for multiple persons in form.

It is necessary to schedule a testing appointment 72 hours prior to the desired testing date.

Payments for testing must be done at least 48 hours before testing in full amount through single transaction from person in charge of testing request.

PCR price is 70 Eur, Rapid antigen test price is 40 Eur.

Payment information:
